WATERPARK & ENTERTAINMENT

“THE WORLD’S COOLEST INDOOR WATERPARKS” — *Condé Nast Traveler*

What makes Kalahari Resorts & Conventions the world’s coolest indoor waterpark? It’s more than just the sheer size. It’s the dedication to re-creating thrilling experiences the whole family will love. Splash, swirl and twirl through the Tanzanian Twister or surf the perfect wave at our FlowRider®. Slow it down a bit and float down the Lazy River, or try the Swim-Up Bar. Take the little adventure-seekers to Crocodile Cove and Tiko’s Watering Hole. If you’re looking for the ultimate splash, take a ride on the water coaster. Waterpark admission is included for every registered overnight guest, and we also offer day rentals of cabanas and bungalows around the parks. All this, and much more, makes for a wet and wild adventure that your family will never forget.

Symbol of priestly office, loyalty and adroitness.

FOOD & BEVERAGE

WORLD-CLASS TASTE

Although some see meals as just something you do between waterslide runs, part of your one world experience at Kalahari Resorts & Conventions will be world-class dining. Every location features restaurants to satisfy every taste, from steakhouses to ice cream shops. You'll never have to eat in the same spot twice, but you just might want to.

ADVENTURERS CLUB

There's no shortage of fun, engaging activities for the kids at Kalahari Adventurers Club. They can go on hikes, do finger painting, crafts, games and scavenger hunts, and we even have a family of characters! Go on your own adventure with Kenya and his girlfriend, Kya, as they splash the days away with their pals Lou and Benny.

Kenya is an elephant from the Serengeti. He loves to play and splash around with his friends and his girlfriend, Kya.

Kya is the elephant with the brightest smile. In fact, her name is Swahili for "the light of a diamond." She's been a part of the Kalahari family since meeting Kenya, Luganda and Benin 12 years ago.

Lou is a lion who loves nothing more than hanging out and having fun with his best friends.

Benny is a monkey who loves to joke around and make his friends smile. If you see Benny at Kalahari, give him a high-five, a hug or a joke, and he will be your friend forever.

Symbol of unity and human relations.

SPA RELAX BODY & MIND

Another important part of your adventure is making time to relax. When you want to slow down and indulge in “you” time, our first-class spa offers services to relax and rejuvenate the mind, body and spirit. The exotic ambiance allows you to slip into a relaxing experience that feels a world away. Our spa offers body treatments, luxurious massages, skin care, nail care and a salon.
