Wisconsin Dells, Wis. (May 1, 2024) – [Kalahari Resorts and Conventions](#), home to America's Largest Indoor Waterpark Resorts, has been voted the Best Indoor Water Park by USA TODAY 10Best Readers' Choice for the second year in a row. With properties in Wisconsin, Ohio, Pennsylvania, and Texas and coming soon to Virginia, Kalahari's massive waterparks offer dozens of waterslides, massive wave pools, surf simulators and so much more. With every property offering anywhere from 125,000 to 223,000 square feet of indoor waterpark space, there's something for everyone in the family to enjoy.

The USA TODAY 10Best Readers' Choice Awards are one of the most highly regarded accolades in the hospitality industry, with winners being determined by a popular vote. Each year, the awards recognize excellence across various categories, including hotels, resorts, restaurants, and attractions.

"To be recognized in back-to-back years as the Best Indoor Water Park, voted by readers and guests, is one of the biggest honors we can get," said Travis Nelson, President and Owner of Kalahari Resorts and Conventions. "We're committed to constantly evolving and expanding the guest experience at Kalahari, so to receive this recognition is a clear sign of our guests' appreciation of that. We are so grateful to our associates and our guests."

Having first opened its first resort in the Waterpark Capital of the World, Wisconsin Dells in Central Wisconsin, in 2000, Kalahari has since expanded to Ohio, Pennsylvania, and Texas. This past fall, the resort brand broke ground on a fifth property in Virginia that is planned to open in 2026. In addition to impressive waterparks, Kalahari proudly offers a variety of amenities for guests, from customizable convention spaces and well-appointed accommodations to award-winning dining options and massive family entertainment centers.

To celebrate the award, Kalahari is launching a three-day flash sale from Wednesday, May 1, 2024, at 11:00 A.M. CST through Friday, May 3, 2024, at 11:59 P.M. CST.
