# A Slice of History

From humble beginnings, Todd and his wife, Shari, envisioned what would become, according to Conde Nast Traveler, "The world's coolest indoor water parks". From their flagship resort in Wisconsin Dells, to a second resort in Sandusky, Ohio and the third resort in the Pocono Mountains, PA, Kalahari continues to grow by leaps and bounds. Proof of this is their newest resort in Round Rock, TX. It has been said that it all started with pizza. In 1983, Todd and Shari opened what would soon become an icon in the Wisconsin Dells area, Pizza Pub. With a work ethic second to none, they conquered the marketplace and became the largest producer of pizza and the number one pizza delivery service in the community. Hard work, determination, high-quality ingredients and an impeccable attention to detail has become the foundation for the family's success. It truly all started with pizza! We invite you to try this delicious pizza here, featuring the patented sauce and cooking process. You won't be disappointed. Enjoy a slice of history.
