

## **The Doors Are Open: Kalahari Treehouse Adventures Welcomes First Guests on May 15**

*A \$50 million retreat on Lake Delton is now welcoming its first guests this weekend*

**WISCONSIN DELLS, Wis.** (May 14, 2026) – The wait is over. Beginning May 15, guests can check in to the Kalahari Treehouse Adventures – a first-of-its-kind luxury lodging experience set along the shores in Lake Delton, years in the making and now ready to welcome its first visitors.

Kalahari Resorts & Conventions announced today that Kalahari Treehouse Adventures on scenic Lake Delton is welcoming guests for arrivals beginning Friday, May 15. To celebrate, Kalahari is offering a Grand Opening Special for guests who book their stay through June 21, 2026.

Kalahari Treehouse Adventures was developed in collaboration with Pete Nelson and family – the acclaimed builders behind Animal Planet's Treehouse Masters – and comprises a set of luxury treehouses and lakeside cabins set among the pines along Lake Delton's quieter coves. It is, by design, a different kind of Kalahari experience. There is the lake.

"We wanted to create something that rewards the pause," said Todd Nelson, Kalahari's founder and CEO. "The treehouses are for guests who want to be surrounded by something extraordinary - and then head five minutes down the road to everything else Kalahari has to offer."

That contrast, nature-immersive lodging with full resort access, is what makes Kalahari Treehouse Adventures distinctive. Stays include admission to Kalahari's signature indoor and outdoor waterparks, access to the property's private beach and new outdoor pool, and use of six boat slips on Lake Delton. The structures themselves are finished in handcrafted wood and panoramic lake-view porches; the Nelson Treehouse's signature attention to material and light is evident throughout.

Arriving guests will also find a new dining option waiting for them: Daylene's Supper Club, Kalahari's waterfront dining concept, which is now fully operational for lunch and dinner as of May 15. The restaurant, positioned on the Lake Delton shoreline steps for Kalahari Treehouse Adventures, draws on the warmth and ritual of the classic Wisconsin supper club, with handcrafted old fashioned, hand-cut steaks, slow-roasted prime rib, and a room that earns a slow evening.

Together, the Treehouse Adventures and Daylene's represent a new dimension of what Kalahari Wisconsin Dells has to offer – nature-immersive lodging and elevated waterfront dining, alongside the family experience guests have always loved.

The Grand Opening Special is available for bookings through June 21, 2026. Reservations and full details on the offer can be found at
