

A Slice of History

It has been said that it all started with pizza. This is true in every sense of the word. In 1983, Kalahari's owners Todd and Shari Nelson opened what would soon become an icon in the Wisconsin Dells area: Pizza Pub. With a work ethic second to none, they conquered the marketplace and became the largest producer of quality pizza at their restaurant as well as the number one pizza delivery service in the community. Hard work, determination, high-quality ingredients, and an impeccable attention to detail became the foundation for the family's success. It truly all started with pizza! We invite you to try this delicious pizza here that features their patented sauce and cooking process only available on the award winning Pizza Pub pizza. We promise, you won't be disappointed. Enjoy a slice of history.
