

A VISIT TO
Kalahari Water Park

HOME OF SIDNEY KIMMEL MEDICAL COLLEGE

Today I am going to Kalahari Water Park!

I will need a swimsuit and a towel! When I check in, I might get a bracelet for my wrist. I am going to have fun at the park!.

The water park will have places to float and slide. Sometimes, water will be sprayed. I should make sure that my family knows where I am and also stay in sight of the lifeguards.

I want to be safe while I have fun!

If it gets too loud or overwhelming, I can take a break in a quiet corner or the calming room! The calming room has sensory toys and seats for relaxing. When I am ready, I can go back to the water park!
