SPA KALAHARI and Salon

Relaxing Therapy Services

Halotherapy Session

45 min. $50

Add on to any service $30

Salt therapy, or halotherapy, is very beneficial for overall wellness by removing the toxicity from the respiratory system, improving the function and appearance of the skin, and boosting the immune system. We use a halogenerator to vaporize organic Himalayan salt into the air. This process allows the salt's negatively charged ions to attach to the positively charged toxins in the body, thus neutralizing the toxins and detoxing the body from the inside out. It is natural and safe, and there are no harmful side effects.

Sauna Session

30 min. $30

Add on to any 50 min. service for $20

The dry sauna provides health benefits such as weight loss, pain reduction, anti-aging, and stress management, as well as improving your metabolism, blood circulation, cardiovascular function, immune function, and sleep.

Wellness Package

Combine a Halotherapy session and a Sauna Session for 90 minutes of total relaxation and rejuvenation.
